

“Gathering Feedback on a Vaccination Social Story to Help Autistic Children and their Caregivers”

WHO?

We are looking for autistic youth (7-17 years old), autistic young adults (18-24 years old), and their caregivers (18+) to participate in our study

TO TAKE PART, YOU MUST:

- Live in Canada.
- Speak English proficiently.
- You can participate individually, or as a child or young adult and caregiver pair

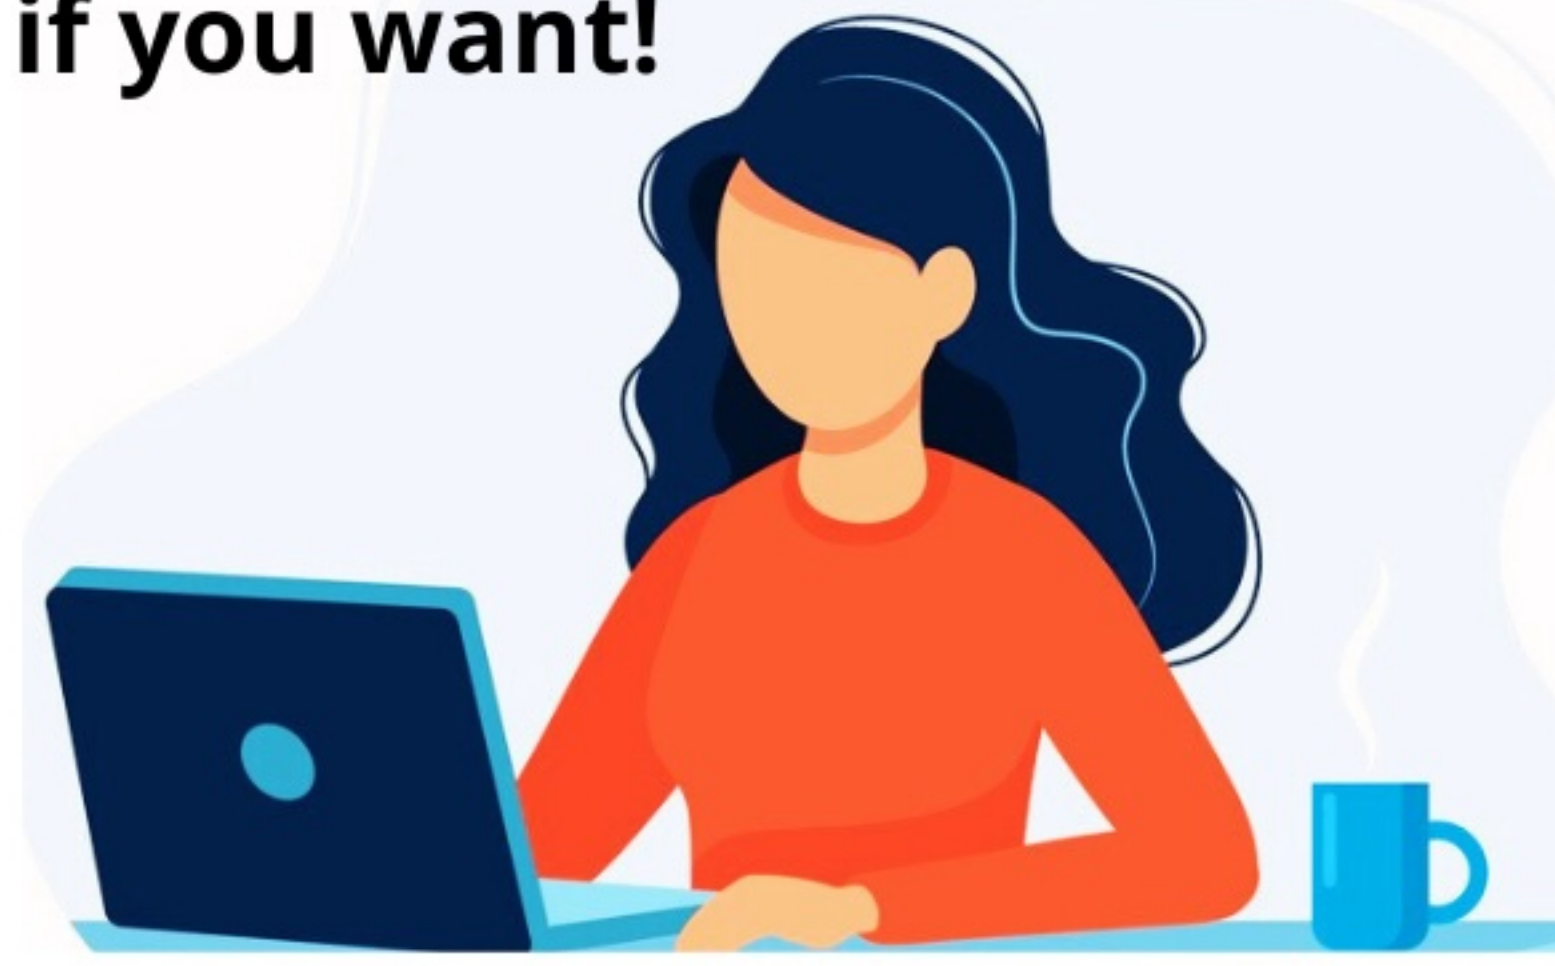

WHAT WOULD YOU DO?

- Review our Social Story resource
- Complete an online survey (~25 minutes) to give feedback on it

INTERVIEW OPTION:

You can choose to complete the survey in an online interview instead, if you want!

If you choose an interview, you must:

- Have access to internet and device for audio-video conferencing
- Keep video on during online interview

WHAT HAPPENS AFTER?

Participants can select from options of autism-related organizations for a \$10 donation to be made

WHAT TO DO IF INTERESTED?

1. Email Olivia Dobson at: odobson@uoguelph.ca
2. The next step is to schedule a short (~10 min) phone call to make sure you're eligible and answer any questions

Other Notes:

- Identity-first language is used in this invitation; it's acknowledged that some may prefer other language.
- If you heard about this study through an organization, your decision about whether to participate will not impact your services, funding, or employment.
- This project (REB #26) has been reviewed by the University of Guelph Research Ethics Board for compliance with federal guidelines for research involving human participants.
