

OVERNIGHT RESPITE AT

ERINOAK **KIDS**

Centre for Treatment and Development

I will be staying at the ErinoakKids Respite Centre for ___days and ___nights.

This is the door I will go through
to enter the Respite Centre.
I will ring the doorbell to let
everyone know I am here.

When I walk into Respite, this is the greeting area where I will meet the staff and nurses.

The Respite staff and nurses will show me around and keep me safe. I can ask them any questions I have.

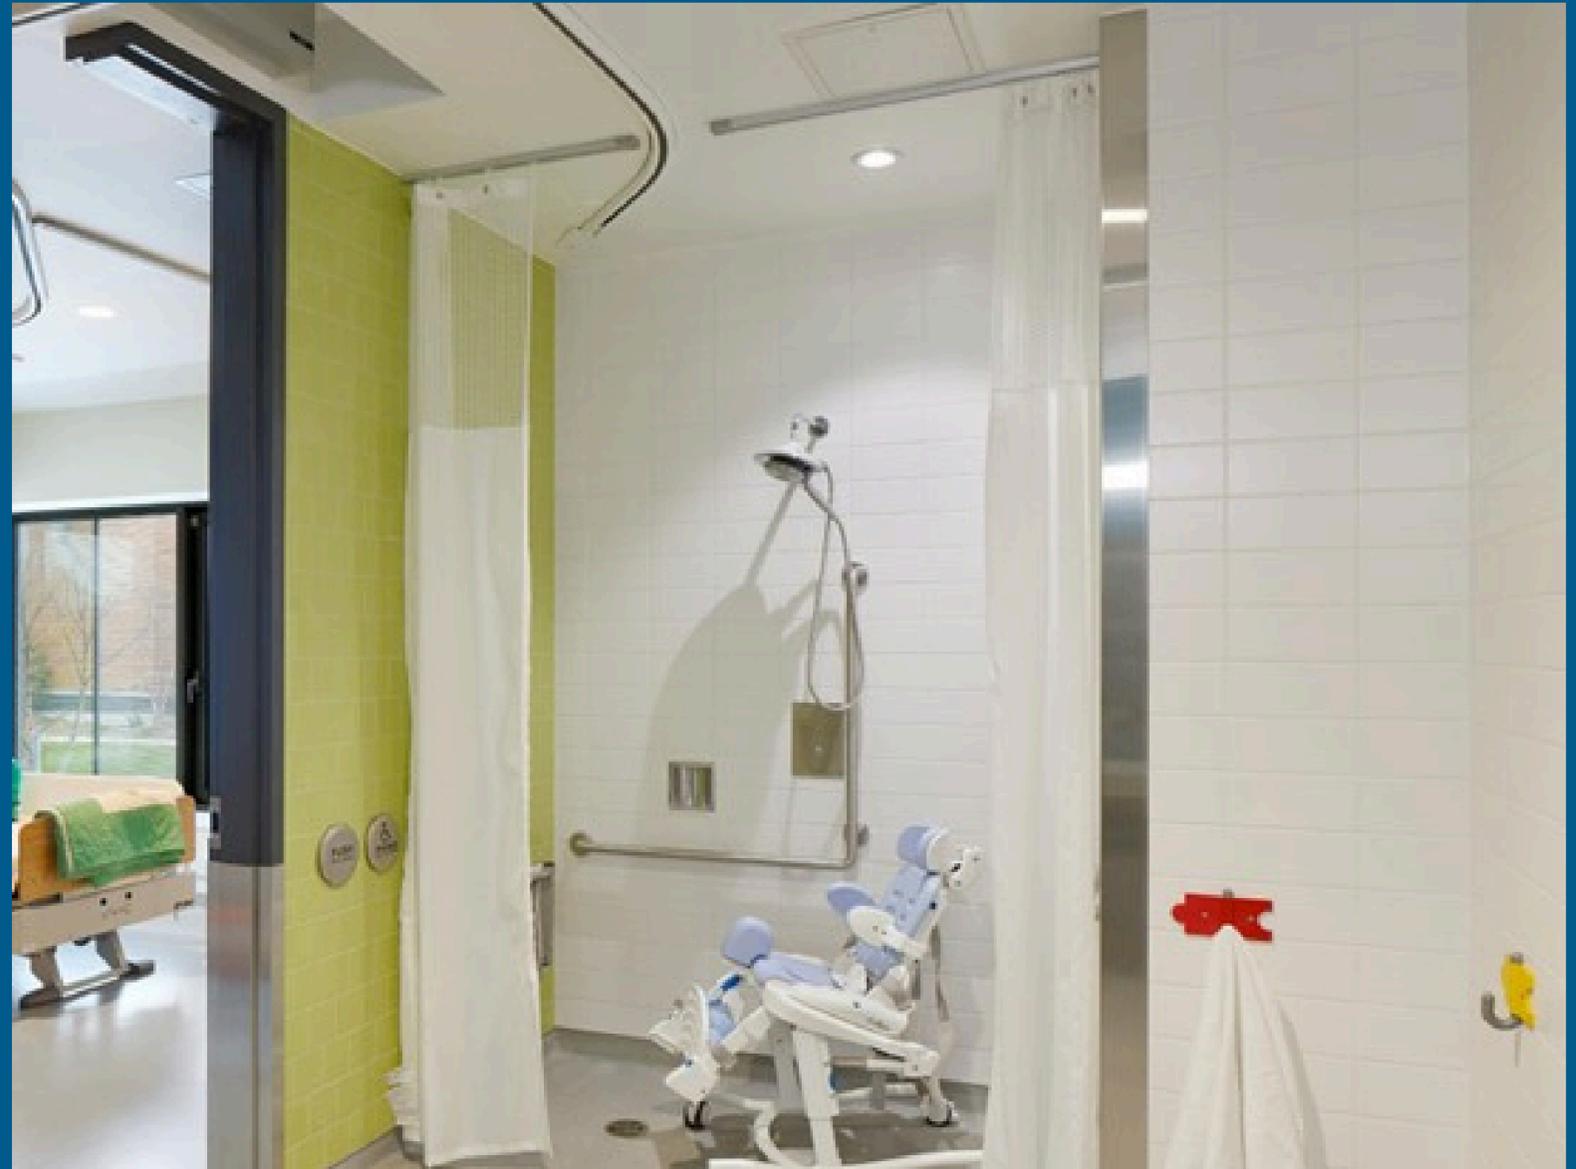

This is the room where I will sleep and keep all my personal belongings.

I can help put away my belongings when I get to ErinoakKids.

Here is the bathroom that is attached to my room. This is where I will use the toilet, brush my teeth and take a shower.

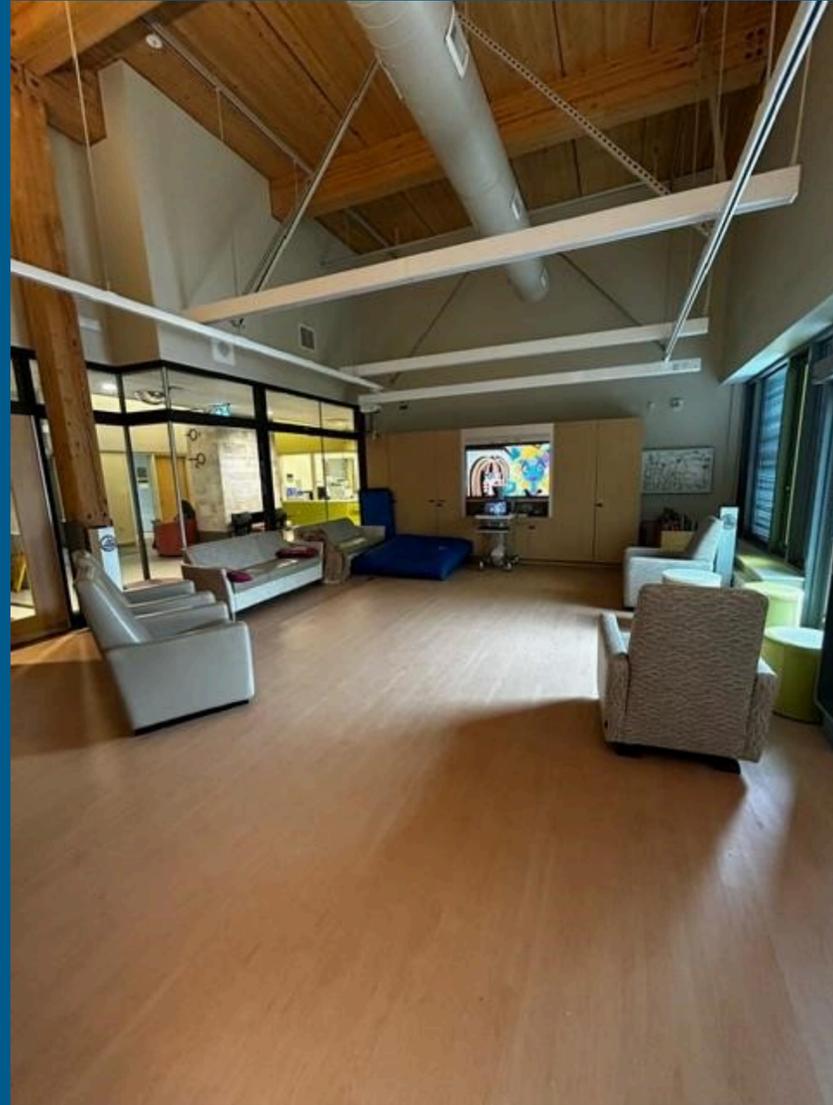

I can also take a bath
in the big tub!

This is the kitchen where all my meals and snacks will be prepared.

This is the kitchenette, where I will eat my meals. This is also where I will help bake yummy treats!

There are two common rooms. This is where I can watch TV, listen to music and hang out with friends.

When I want to relax,
I can go to the
Snoezelen Room.

I can also go for lots
of walks.

This is the playroom
where I can play
games and do crafts.

When the weather is nice, I can spend time outside on the playground or in the courtyard.

During the day, I can use the gym to play basketball, soccer, or other sports. I can also ride the adaptive tricycles.

I can do my laundry
while I am here.

I am going to have a great time at ErinoakKids. My parents will pick me up at the end of my stay and take me home.
